

## Round table

### *The strength of the independent lift industry in Europe*

4<sup>th</sup> April 2025

11.00 – 12.00

43 Rue de Dunkerque, 75010 Paris, France

**Join us for a round table dedicated to discussing the role and importance of lift SMEs in Europe and within the entire supply chain!**

- *What are the weaknesses and strengths of SMEs in the lifts sector?*
- *Why don't SMEs in the lifts sector have a larger market share?*
- *What does the European dimension and the EFESME network bring to a local SME?*

Together with EFESME delegates, **representatives of the French lift industry, condominium administrators and architects will also be present**, so as to have a **detailed and in-depth discussion**, covering different points of view.

#### **EFESME representatives:**

- Mr. José María Compagni – Secretary General
- Mr. Luca Incoronato – Policy Officer
- Ms. Elettra Bilibio – Policy Advisor

**Moderator:** Mr. Jean-Pierre Ménard

*The event will be in French.*
