**EFESME General Assembly and Board of Directors,  
15th June 2020**

**Brussels, June 22<sup>nd</sup> 2020**

**The Board of Directors and the EFESME General Meeting took place on Monday 15 June**, via remote due to the current situation.

During the meeting, **EFESME members planned the future activities of the Federation** in support of European SMEs and **stressed the importance of continuing to be active and committed both at European and international level**, both in technical and political activities.

**The collaboration with the European Commission and SBS - Small Business Standards**, as well as with **other important stakeholders in the sector**, has been **highlighted as extremely important**.

The members were very satisfied with the way the activities were carried out and the positions taken, and renewed their commitment to support more and more European SMEs.

**The day also included a public session**, which allowed the Federation to present its activities, events and initiatives to guests, SMEs and stakeholders alike. During the public session, **EFESME members and experts were able to illustrate the technical activity carried out in recent months, the events organized and future events**, demonstrating that the Federation's activities have continued despite the limitations imposed by the crisis.
